

The British Association of MR Radiographers

Introduction to MRI Course

Time	Day One
9:30	Registration and refreshments
10:00	Introduction Helen Estall - BAMRR Consultant Radiographer MRI, University Hospitals Leicester
10:10	MRI Contrast Agents Helen Estall - BAMRR Consultant Radiographer MRI, University Hospitals Leicester
10:45	MRI Physics - How MRI works Dr Geoff Charles Edwards Guy's and St Thomas NHS FT Trust, London and Royal Marsden NHS FT, London
12:00	Lunch Break
13:00	MRI Physics - Pulse Sequences Dr Geoff Charles Edwards Guy's and St Thomas NHS FT Trust, London and Royal Marsden NHS FT, London
14:00	MRI Safety Trudi Whitehead - BAMRR Superintendent Radiographer for Non-Ionising Radiation, University Hospitals Derby and Burton
15:00	Coffee Break
15:30	MRI Artefacts Dr Paul Morgan, Head of Non-Ionising Physics Nottingham University Hospital NHS Trust
16:30	Close

Introduction to MRI Course

Time	Day Two
9:00	Registration (no refreshments)
9:15	MRI Neuro Imaging Helen Estall - BAMRR Consultant Radiographer MRI, University Hospitals Leicester
10:15	Coffee Break
10:45	MRI MSK Imaging David Reed – BAMRR Senior MRI Radiographer, Cobalt Health
11:45	Fat Free Imaging Nicola Singh – BAMRR Assistant Professor of Diagnostic Radiography, Bradford
12:15	Lunch Break
13:00	MRI Knee David Reed
13:50	MRI L-Spine Helen Estall
14:35	Comfort break
14:45	MRI simulator – Live Parameter manipulation  Corsmed Nicola Singh
15:55	Course Review- Feedback
16:00	Close
